ZAMEER SHAIKH

Software Development Engineer · Full-Stack Developer

zameer7972@gmail.com | +91 9028747098 | Mumbai, Maharashtra | portfoilo-zameer.netlify.app

PROFESSIONAL SUMMARY

Results-driven Software Development Engineer with 2.5+ years of experience building high-performance full-stack applications. Specializes in React.js frontend architecture, RESTful API development with Node.js, and PostgreSQL database management. Proven track record of delivering scalable platforms for fintech and real-estate domains in fast-paced Mumbai-based teams.

EXPERIENCE

Software Development Engineer · **Actal Digital** *Jun 2025 – Present*

- Spearheaded end-to-end development of the Actal Digital website & Aswan Real Estate platform using React.js.
- Built a reusable React component library to maintain consistency across client projects, reducing dev time.
- Integrated EmailJS for automated contact flows and led UI/UX optimization for premium brand identity.

Software Development Engineer · **SBI Securities** *Aug 2023 – May 2025*

- Developed targeted PostgreSQL queries for precise financial data updates and reconciliation workflows.
- Calculated NAV and performed reconciliation of financial reports, ensuring data accuracy and compliance.

Software Development Engineer · **Hexaware Technologies** *Dec 2021 – Jul 2023*

- Drove continuous improvement of a CRM platform tailored for Chartered Accountants, shipping daily frontend (React.js) and backend (Node.js) feature updates.
- Refined UI components and user workflows using React.js, while implementing server-side logic & RESTful APIs in Node.js for complex financial operations.
- Managed and optimized large PostgreSQL datasets for high-frequency daily transactions across both frontend data-binding and backend query layers.

PROJECTS

Actal Digital Website

Official agency website built with React.js featuring modern frontend architecture, responsive design, and EmailJS integration.

actaldigital.com

Aswan Real Estate Platform

Real estate listing platform with responsive design, cross-browser compatibility, and optimized frontend architecture.

aswanrealestate.com
